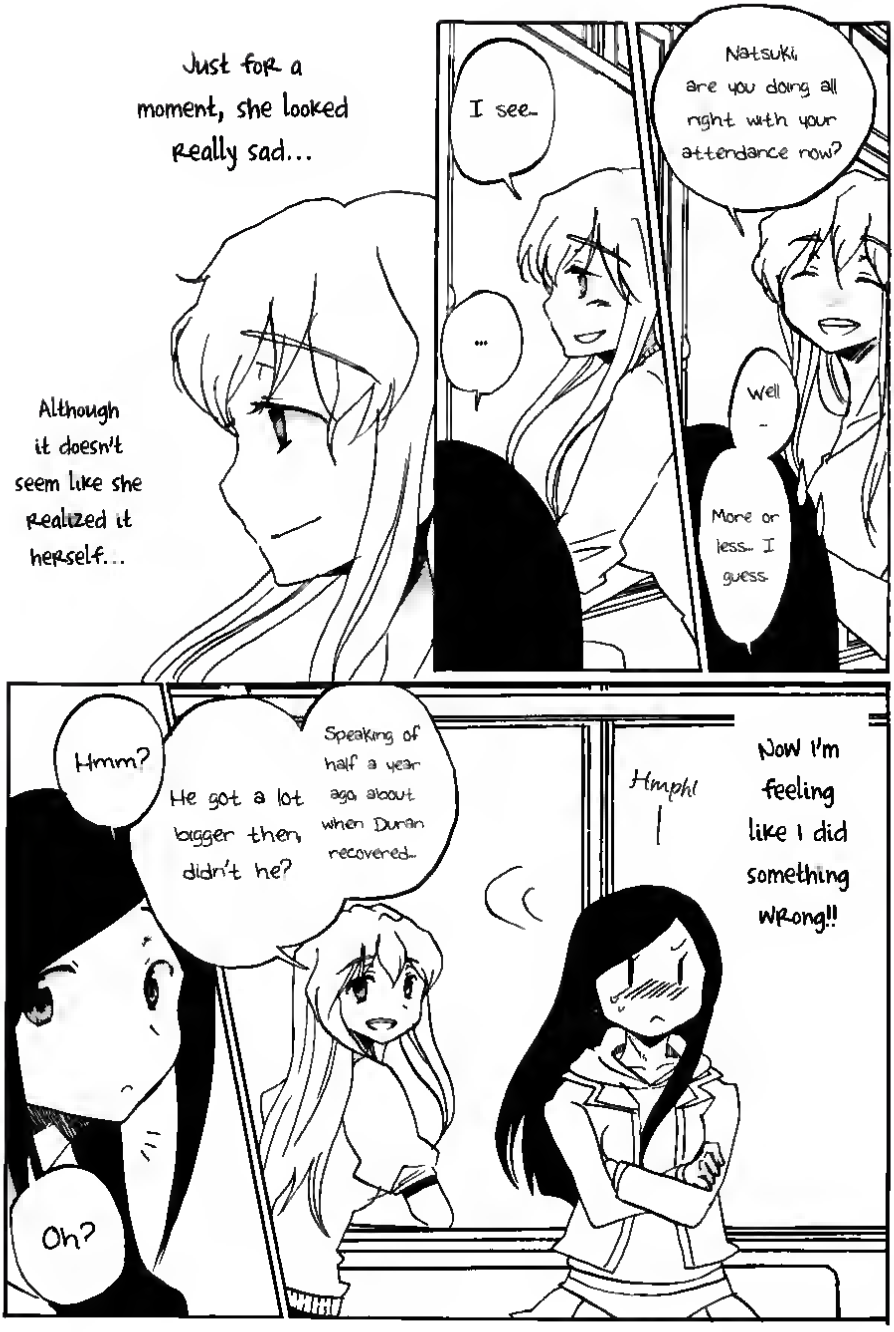
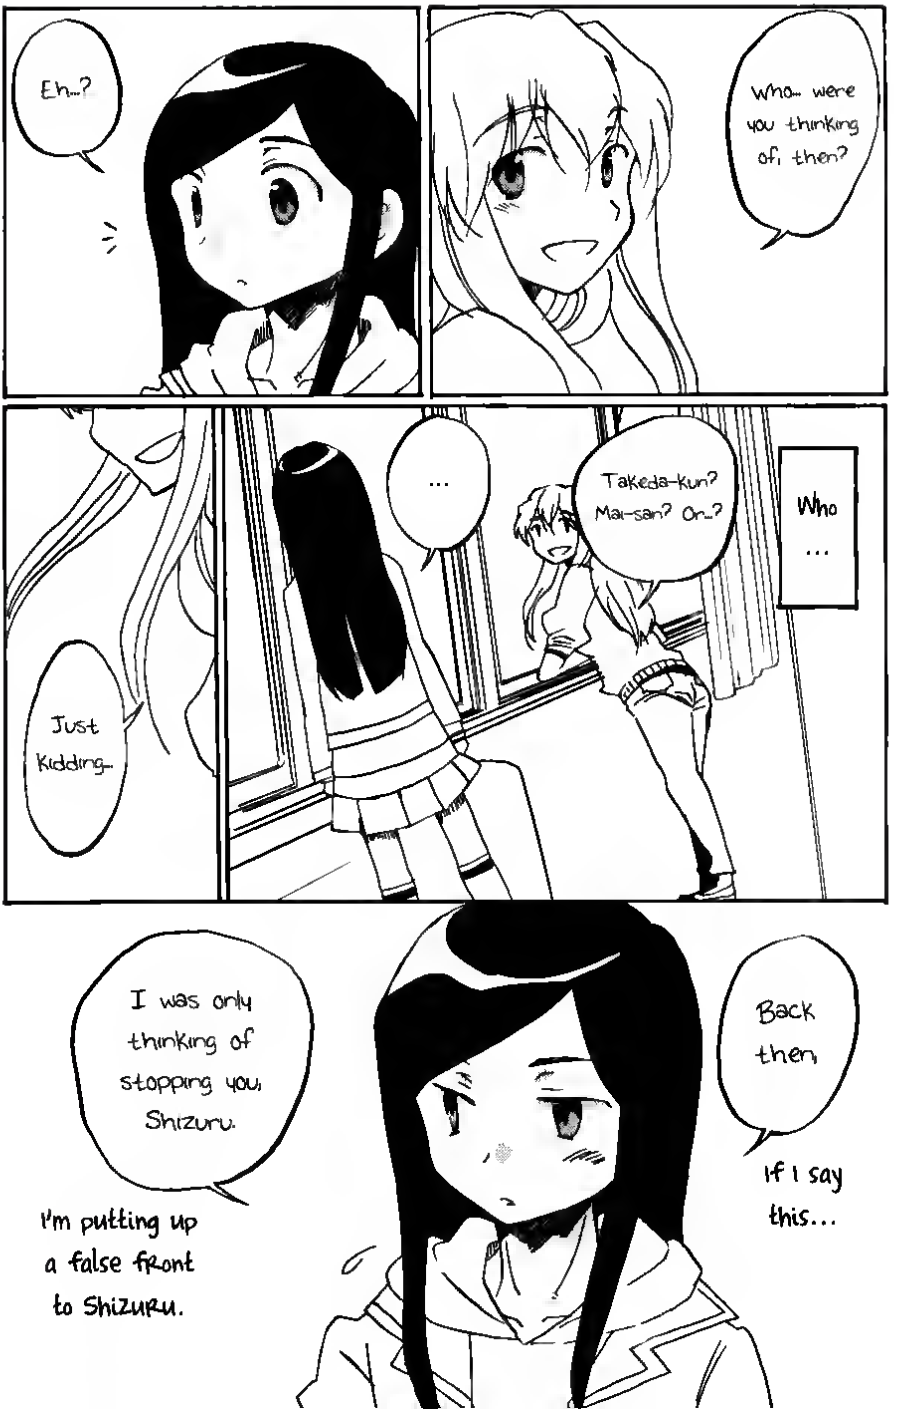
It's already been half a year since the stuff with the HIME star- huh
Time sure flies...
Indeed...
You haven't shown up at the campus at all since then
Smile
Well it's good if you're enjoying your life as a university student
I like being with Natsuki most of all
Ha ha...

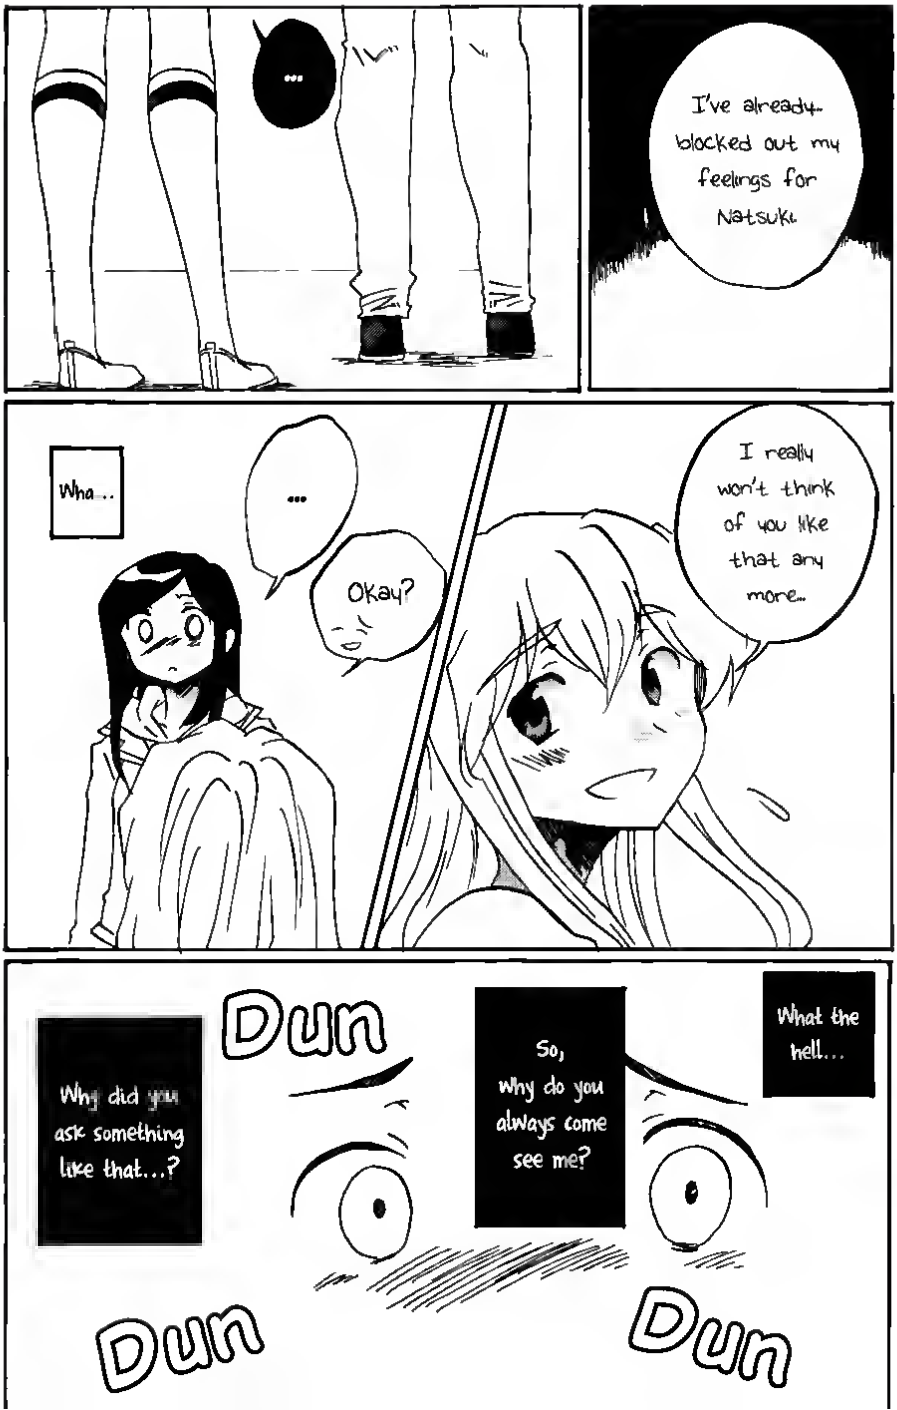


Just for a moment, she looked really sad...
Although it doesn't seem like she realized it herself...
Natsuki, are you doing all right with your attendance now?
I see.
...
Well -
More or less. I guess.
Hmm?
He got a lot bigger then, didn't he?
Speaking of half a year ago about when Duran recovered.
Oh?
Hmph!
Now I'm feeling like I did something WRong!!

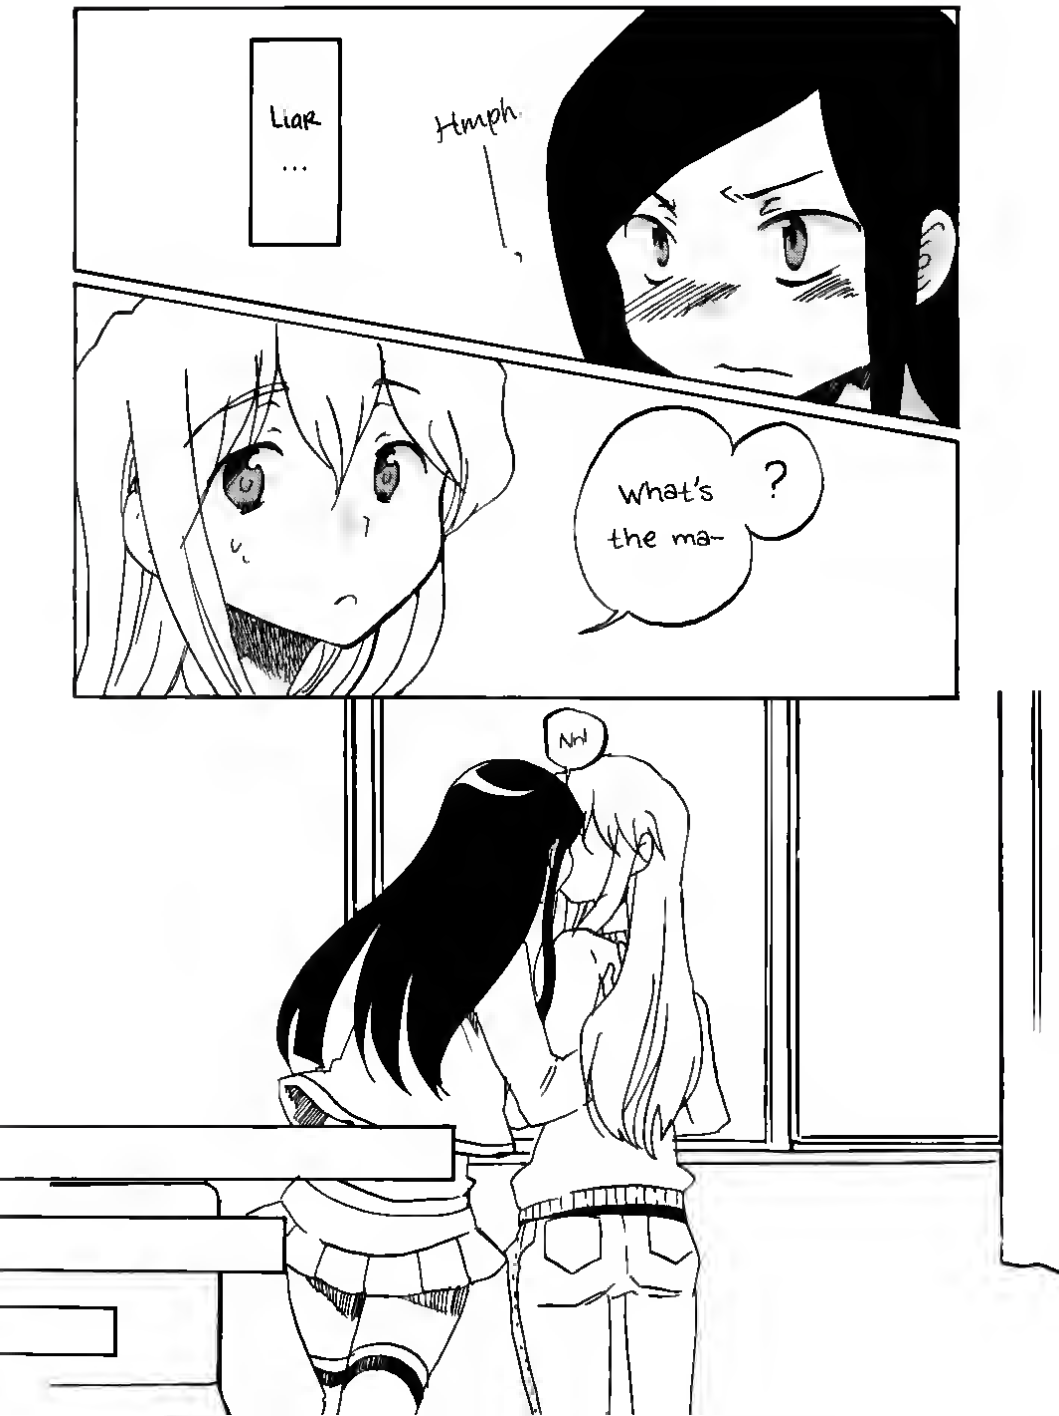


Eh...?
Who... were you thinking of, then?
...
Takeda-kun? Mai-san? Or...?
Who ...
Just kidding.
I was only thinking of stopping you, Shizuru.
I'm putting up a false front to Shizuru.
Back then,
If I say this...

Is that so?
I understand full well that Natsuki's and my feelings are different.
So you don't have to worry about it.

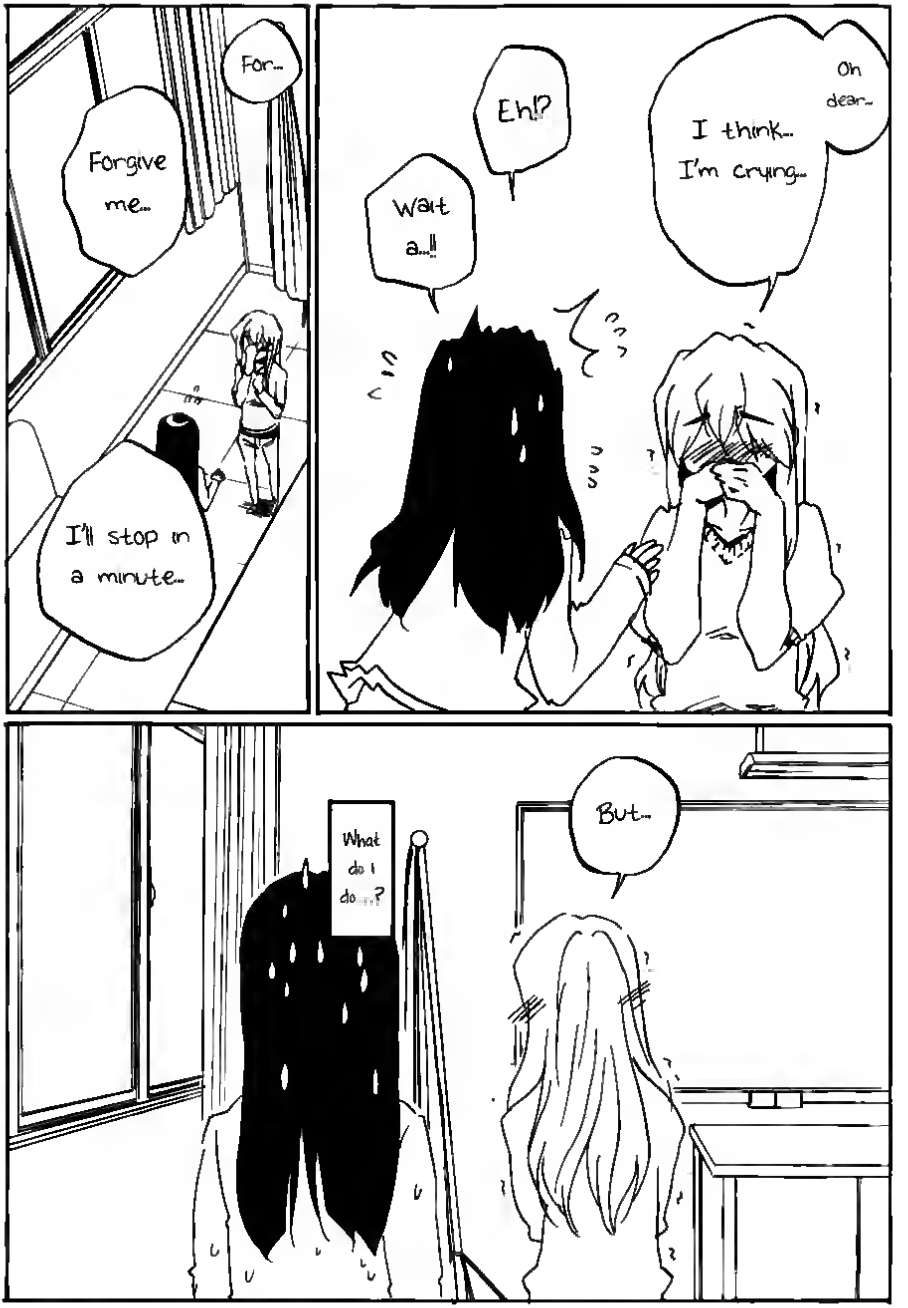


...
I've already blocked out my feelings for Natsuki.
Wha...
...
Okay?
I really won't think of you like that any more.
Why did you ask something like that...?
Dun
So, why do you always come see me?
What the hell...
Dun
Dun

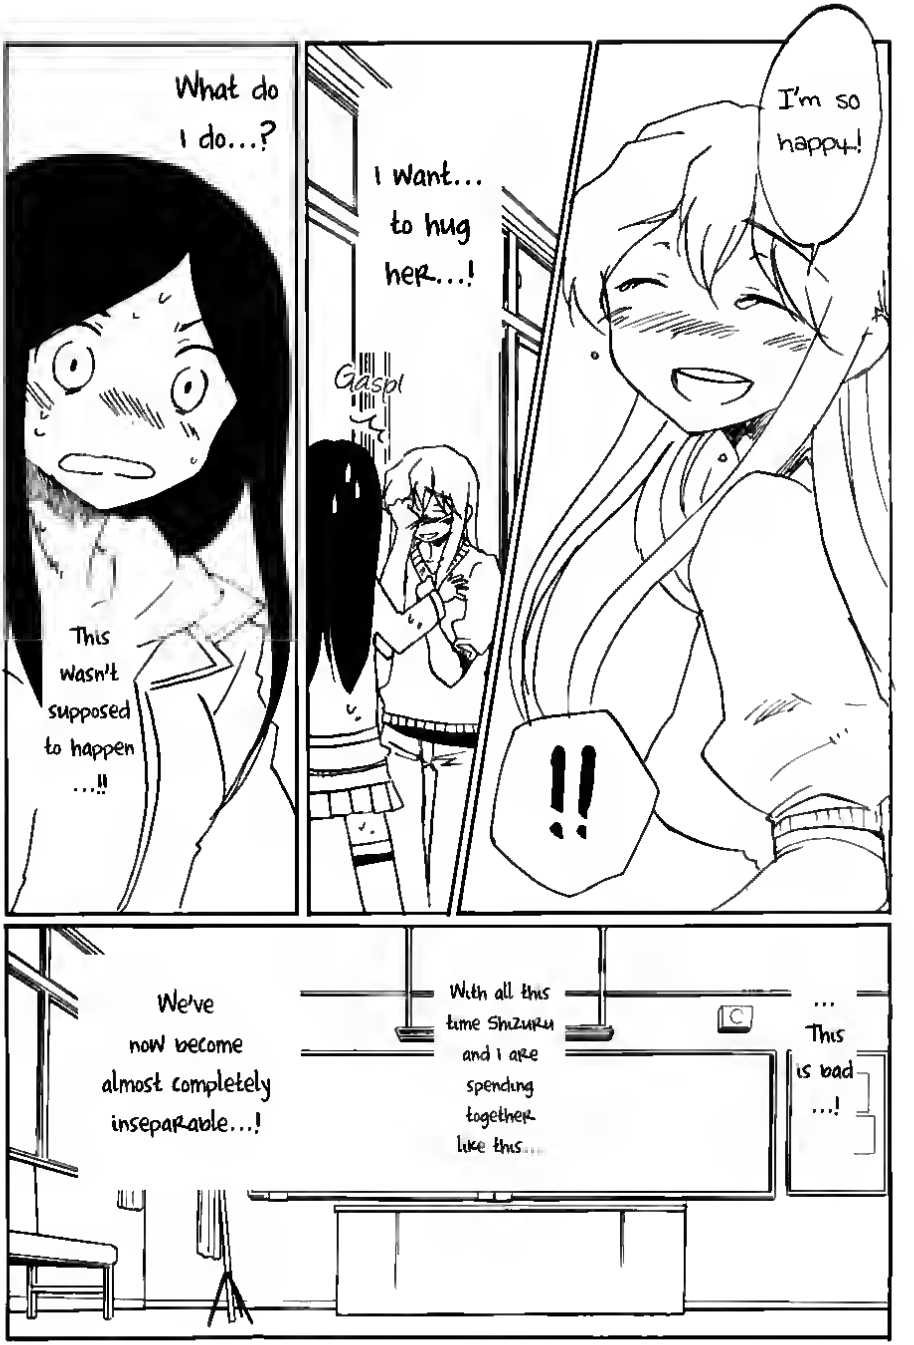


Liar
...
Hmph
What's the ma-
?
Nn!

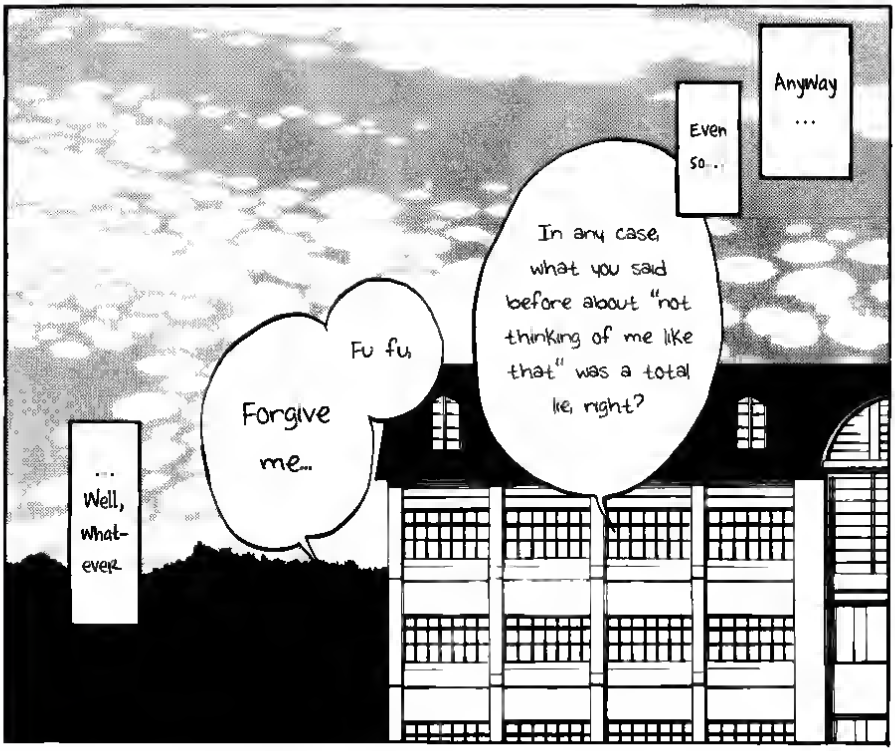
Are you...?
What...
What you just said just pissed me off.
Turn
Don't ask me!
Ah, geez, why do I keep saying "like, like!?"
You don't have to try to force yourself to not like me!!
I don't know if it's the same "like" as yours, but I still like you!
It's not like I don't like you!!



For...
Forgive me...
I'll stop in a minute...
Eh!?
Wait a...!!
Oh dear...
I think... I'm crying...
But...
What do I do...?



What do I do...?
This wasn't supposed to happen ...!!
I want... to hug her...!
Gasp!
I'm so happy!
!!
We've now become almost completely inseparable...!
With all this time Shizuru and I are spending together like this...
...
This is bad ...!



Anyway ...
Even so...
In any case, what you said before about "not thinking of me like that" was a total lie, right?
Fu fu,
Forgive me...
... Well, whatever
